SUPPLEMENTAL
INFORMATION DISCLOSURE
STATEMENT

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

Pursuant to the duty of disclosure set forth in 37 C.F.R. Section 1.56 and the requirements for filing an Information Disclosure Statement stated in 37 C.F.R. Sections 1.97 through .98, Applicant herewith submits a copy of the following publication:

Timbuktu/Remote User's Guide, Farallon Computing, Inc. Berkeley, CA, pp. 6-8, publication date unknown.

The Timbuktu/Remote User's Guide is for a software package which permits two MacIntosh computers to be connected. After a connection is established between MacIntosh computers, a "connected" window is displayed. A limited number of options are available using the window.

CERTIFICATE OF MAILING I HEREBY CERTIFY THAT THIS CORRESPONDENCE IS BEING DEPOSITED WITH THE UNITED STATES POSTAL SERVICE AS FIRST CLASS MAIL IN AN ENVELOPE ADDRESSED TO COMMISSIONER OF PATENTS AND TRADEMARKS, WASHINGTON, DC 20231 ON THIS 11th DAY OF May 19 91

SHERIDAN, ROSS & McINTOSH
BY Constance V. Roberts

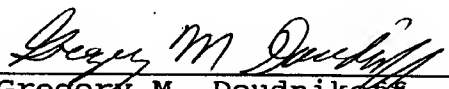

For example, the user of a first MacIntosh is limited, in the observe mode, to viewing what is happening on the screen of the second MacIntosh. Using the control function, the user of the first MacIntosh can control the second MacIntosh. Further, file transfers and message exchanges are possible. The system is apparently limited to two MacIntoshes. Additionally, at the present time, the system is very slow.

Applicant makes no representation that this art is the closest prior art or that a search has been made. For the Examiner's convenience, the above publication is listed on an accompanying PTO Form 1449.

Respectfully submitted,

SHERIDAN, ROSS & MCINTOSH
